Training Programme for Safe and Environmentally Sound Ship Recycling 24 - 29 July 2017

The ICMR-National Institute for research in Environmental Health (ICMR-NIREH), Bhopal and ICMR-National Institute of Occupational Health (ICMR-NIOH), Ahmedabad conducted three training programmes on Safe and Environmentally Sound Ship Recycling of two-days each for the supervisors and workers of ship recycling industry at the Alang shipyard during 24-29 July 2017.

The training programme consisted of lectures followed by demonstrations/hands-on experience on various aspects of occupational health, lung diseases, heavy metals, ergonomics, physical hazards, environmental hazards, chemical hazards for effective utilization of human resources in ship recycling process. One hundred and twenty supervisors and workers participated in the training programmes.

Two experts namely Dr. RR Tiwari, Director, ICMR-NIREH, Bhopal and Shri J Majumder, Scientist C, NIOH delivered lectures and conducted the hands-on demonstrations during the programme.

*** Alliance partner: Applied Ergonomics Conference**

ISE is happy to announce that once again, it is an International Alliance Partner for the Applied Ergonomics Conference 2018 (AEC 2018), to be held in Atlanta, Georgia, USA, from 26 to 29 March 2018.

This entitles ISE members to discounted registration to the 21st Annual Applied Ergonomics Conference. Please select the "Alliance Partner" option on the conference online registration page, and then select the appropriate organization from the pull down menu, and finally enter the Alliance Partner Code (available on request from the Hony. General Secretary)

See details in "Forthcoming Conferences" section below.

* IEA 2018

Andrew Thatcher writes on the LinkedIn IEA discussion group page: The IEA Congress now has a FaceBook page (<https://www.facebook.com/FlorenceIEA2018/>). If you use the FaceBook social network please go along and like the page. Feel free to post something there and to ask questions. Some excellent news ... **your national, federated ergonomics society will get one free registration for every 10 people who have a paper accepted and have paid their registration from your national society.** More good news, **students from middle and low income countries will get their registration for free and their accommodation for free.** This is a wonderful initiative to help internationalize HFE.

* Forthcoming National Events

3-day National Training on Advanced Instrumentation in Ergonomics for Occupational Health research 08-10 November 2017 at ICMR-NIOH, Ahmedabad.

The program consists of didactic lectures followed by demonstrations/hands on experience on various aspects of ergonomics instrumentation for judicious utilization of human resources in ergonomics research.

Course contents

- Introduction to Ergonomics
- Anthropometrics & Human Strength
- Design Ergonomics
- Physical Ergonomics
- Occupational Biomechanics
- Subjective Ergonomics
- Bio-informatics in Ergonomics Research
- Hand-on-experience

Registration Fee: Rs. 3000/- (Student/Research Scholar) Rs. 5000/- (Working Professionals)
(Registration fee includes Training kit, Breakfast, Lunch and Dinner during training period only)
